BEFORE THE BOARD OF MILK CONTROL  
OF THE STATE OF MONTANA

ANNOUNCEMENT OF CLASS I PRICES } PUBLISHED: FEBRUARY 6, 1995  
ISSUED IN REFERENCE TO } EFFECTIVE: MARCH 1, 1995  
SECTION 13 OF THE RULE 8.86.301 } 12:01 a.m.

Due to the latest data available as of February 6, 1995, the following applies:

Distributor Formula (Docket #89-88, first price announcement effective 12/15/90): Distributor formula index has been calculated to be 313.19.

Producer Formula (Docket #69-84, first price announcement effective 7/1/84): Producer formula index has been calculated to be 265.71.

ARM 8.86.301(6)(a)--producers must be paid based on the lower of either the "Flexible Economic Formula" or the price paid for manufacturing milk in Minnesota-Wisconsin plus \$3.15. For this month, the Minnesota-Wisconsin plus \$3.15 is lower, so the producer price will decrease from \$14.53/CWT to \$14.50/CWT. The butterfat price per pound will remain at \$0.75.

The distributor formula indicates no change.

The above indexes indicate NO CHANGE in the class I resale prices. All prices announced effective February 1, 1995, will remain in full force and effect until further notice from this Board.

BY ORDER OF THE BOARD OF MILK CONTROL

*William E. Ross*

William E. Ross, Bureau Chief
